Mission and Vision Statements

Mission Statement:

Assumption University exists for the main purpose of serving the nation through generation, dissemination and application of business, scientific, technological and humanistic knowledge through research and interdisciplinary collaborations and partnerships that build on a strong foundation of strong interdisciplinary scholarship.

Assumption University teaches students to think critically, objectively and creatively, and to be lifelong learners, leaders and productive ethical citizens; pursues research to advance knowledge, to meet local, national and international challenges in a diverse, interdependent, knowledge based and technologically dynamic society.

Vision Statement:

Assumption University of Thailand envisions itself as:

- An international community of scholars,
- Enlivened by Christian inspiration,
- Engaged in the pursuit of Truth and Knowledge,
- Serving human society, especially through the creative use of interdisciplinary approaches and cybertechnology.

Vision 2000 for The Assumption University Graduates Assumption University of Thailand envisions its graduates as:

- Healthy and open-minded persons, characterized by personal integrity, an independent mind, and creative thinking,
- Professionally competent, willing to exercise responsible leadership for economic progress in a just society,
- Able to communicate effectively with people from other nations and to participate in globalization.
