## Mission and Vision Statements

Mission Statement:

The purpose of Nanzan education, is to provide quality education with a difference, a broad, Christian, international and academic education with the aim of increasing each person's awareness of human dignity: not the dignity of oneself as an individual, but the dignity of all people. The promotion of human dignity, by necessity, produces a sense of social responsibility and a commitment to the needs of others. This is, after all, the basis of Christ's law of charity, the source of Nanzan's motto: "Hominis Dignitati"- for the dignity of all human beings.
