Mission and Vision Statements

Mission Statement:

To become an international centre of excellence and the benchmark for higher education institutions for central and east Indonesia.

Vision Statement:

To provide young adults with unique skill sets and international exposure to enable them to be responsible and respectful individuals, able to contribute to the development of a more healthful and sustainable global environment.

To educate the whole person in developing academic, professional and spiritual skills essential to thrive and contribute to a safe, just and healthy society.

To serve God and our nation through education, training, research, and community service.

To establish and maintain a center of study, exploration, and research of science, technology, arts, and culture for central and east Indonesia.

To promote critical thinking, creativity, and innovation based on societal realism and cultural sensitivity.

To develop forward-thinking and competent individuals in science, tourism, arts, and cultur to support the advancement of societies in central and east Indonesia.
